Integrity and Courage

Uniting with us frees up your time to concentrate on your prospects and clients while we focus on the intricate details of each case.

Mission Vision Purpose

We leverage insurance to help you provide life, retirement, health and income protection for your clients' families and businesses.

Sales Support

Our Sales Associates will work with you to find opportunities for your clients and deliver solutions that protect their best interest.

We each have faith in our ability to guide you through every client's unique situation with precision and attainable real-life solutions.

Case Management

Each MVP office has a Case Manager dedicated to processing your business with the most responsive service possible. Your Case Manager handles the entire case process from scrubbing and submitting applications to ordering exams and medical records, all while keeping you in the loop along the way. Our experienced Underwriting Director is available to work directly with you on the difficult, health related cases.
